

# Monthly Newsletter

## A Note from the Teachers

### Reading:

- Make sure your child is reading 30 minutes or more and studying spelling each night.
- A practice homework sheet is assigned the first day of the week and due on Fridays. Please remind your student to complete it correctly.
- AR goals for the 9 weeks are individualized. Students must maintain an 85% average.

### Math:

- Please make sure that your child is completing their homework assignments each night.
- They also need to be practicing their multiplication and division facts daily.
- Ask your student about **Freckle**.

### Science:

- We are studying What Matter is, the Properties of Matter and how matter changes (physically and chemically).
- Students may practice vocabulary words at [quizlet.com](http://quizlet.com). Search classes for "graym4" and the lists we are working on are "Nature of Science" 6 terms and "Physical Science" 42 terms.

### Important Dates:

- 9/20 PBIS Celebration - College Shirt Day  
 10/8-9 Parent Conferences 3:30-6:10  
 10/11 End of the 1st 9-Week Grading Period

## Student Shout Outs

### Congratulations to ...

Dallas Simmons and Dominick Zalweski for the highest amount of AR points in 5th Grade!

### Outstanding point earners for PBIS (behavior/responsibility) for Aug. and Sept. are....

A'niyah Harris  
 Ethan Lee  
 Angel Santana  
 Dallas Simmons  
 Yaritza Vaddy  
 Dominick Zalweski  
 Belinda Alvarez  
 Crystal Ramirez  
 Catalina Salinas  
 Deep Patel  
 Sergio Cruz Vega

Brianna Hernandez  
 Abby Lankford  
 Jarelle Jordan  
 Valentin Real  
 Raymond Rickman  
 Ella Gendreau  
 Emmaleigh Browe  
 Julius Handford  
 Kayln Niles  
 Illiana Contreras

## DON'T FORGET...

- Be on the lookout for **Parent-Teacher Conference** sign ups coming soon in the Wednesday Folder. Conferences are the week of Oct. 8-9.
- Student **PBIS** points are used for monthly coupons and PBIS events and rewards. They are also reflected on the student report card good citizenship objectives.
- **AR** is an important part of the 5th grade ELA curriculum. If students do not read at home, they will have difficulty achieving their goals. Please help reinforce good study habits.
- **STRIVE** for less than **FIVE!** Achievement is directly related to attendance.
- Please remember to check **Wednesday Folders**, sign, and return on Thursday.

## Homework:

	Reading	Writing	Science	Social Studies
Monday				
Tuesday				
Wednesday				
Thursday				
Friday				

## Baker of the Week:

I will choose one student from our class each week that will be recognized as the Baker of the Week for their attitude and actions. That student will have their picture featured in our weekly newsletter and will receive special privileges for the week so encourage your student to always give their best effort and show their character to be chosen for this sweet treat!
